All courses over-seeded and manicured immaculately
for the 2025–2026 Golf Season!

Host of the PGA Tour's Walt Disney World®
Golf Classic from 1971 to 2012

Featuring strategically placed palms, 55 bunkers, and many sparkling lakes and waterways, the natural Florida woodlands provide a stunning backdrop to one of America's premier resort courses. Reimagined by Arnold Palmer Design Company, Disney's Palm Golf Course is considered one of the most naturally beautiful courses in the country by professionals and amateurs alike.

Par: 72 | Yardage: 6,840 | Rating: 73.3 | Slope: 134

Par: 72 | Yardage: 6,718 | Rating: 71.7 | Slope: 133

Offering a classic country club layout, Disney's Lake Buena Vista Golf Course embodies the natural character of the land while winding its way through pastel villas, pine forests, palmettos, sparkling lakes, and other wonders of nature. Reimagined with lush fairways and well-protected greens, this course is as challenging as it is beautiful for either a casual round or a large group outing.

*Play Disney's Magnolia, Disney's Palm, and or Disney's Lake Buena Vista Golf Courses on three different days to earn the credit.

Par: 72 | Yardage: 7,505 | Rating: 76.6 | Slope: 142

Designed in classic Florida style, this championship course is the longest of the Disney courses. Sharing its landscape with herons, great egrets, turkeys and deer, Disney's Magnolia Golf Course is certified by Audubon International as a Cooperative Wildlife Sanctuary. Reimagined in 2024 and now featuring **"Grumpy's Gauntlet"** as well as the already world-famous Mickey Mouse-inspired bunker, Disney's Magnolia represents a challenge for serious golfers and a paradise for players of all levels.
